

## Getting a quote

1. Once you've logged in, click on **Quotes & Research > Quotes > Quotes & Depth**

2. Enter a code and select the search icon to conduct an advanced search, then select Options from Type and enter an Expiry date (if applicable). The result will provide a list of available Options for that code.

- Select the code you prefer and press Display. You can view the performance of the code by viewing the graphs on the right hand widgets. The date ranges can be amended as desired.

The screenshot shows the CommSec website interface. At the top, there are navigation tabs: Home, Portfolio, Watchlists, **Quotes & Research**, Trading, Products, and Support. A search bar labeled 'Quick Quote or Search' is on the right. Below the navigation, there are sub-tabs: Quotes & Market, News, Research, Recommendations, and Research Tools. On the left, a sidebar contains: Quotes, Indices, Sector Analysis, and Market Watch. The main content area is titled 'Quotes' and has sub-tabs: Quotes & Depth, Course Of Sales, Option Series, Announcements, Company Research, Trade History, and Charts. A search box contains 'BHP44' and a 'Display' button. Below this is a checkbox for 'Open in new window'. The main quote area for BHP44 shows a price of \$4.340. To the right of the price are links for 'Add to Watchlist', 'Add to Alerts', 'Manage Orders', and buttons for 'Buy' and 'Sell'. Below the price is the company name 'BHP BILLITON LIMITED JH12C4800' and the date 'Fri 06 May 2011 3:04 PM (Sydney time)'. The 'Share Quote' section shows a price of 44.470, a change of -\$0.970 (-2.14%), and a table with columns: Bid (\$), Offer (\$), High (\$), Low (\$), Volume, Trades, Value (\$), Open (\$), and Previous Close (\$). The 'Options Quote' section has a table with columns: Bid (\$), Offer (\$), Volume, Exercise Price (\$), C/P, Expiry Date, Type, Open Interest, and Contract Size. The 'Market Depth' section shows 'Buyers' and 'Sellers'. On the right, there are charts for 'Date Range' (1d, 5d, 1m, 1y, 5y) and 'Volume' (125M, 75M), and a 'Share Details' section with 52 Week High (\$), 52 Week Low (\$), and Last Traded information.

## Placing an order

If you are starting on the quote screens, simply click on either Buy or Sell. This will divert you to the **Trading > Options Orders > Place Order**. Or alternatively if you know the code, you can go straight to this page.

This screenshot is identical to the one above, showing the BHP44 quote page. The 'Buy' and 'Sell' buttons are circled in red. The layout and data are the same as in the previous screenshot.

Enter the **Quantity** (of contracts) and the **Price Limit** (this is the highest price to buy at or your lowest price to sell at).

Then simply click **Proceed** to complete the order

You can view the latest price from the right hand widget
